

FOOD DELIVERY

FAST FOOD AND RESTURANT BOXES

TAMPER EVIDENT • TAPES & LABELS

Applications

Permeant tamper evident security labels with finger lift to seal re-useable containers as well as paper bags to reduce the risk of contaminants being introduced into the food chain.

Permanent labels and tapes leave a mark on the surface of the container when removed. They are used to seal food containers to protect the integrity of these products during the final mile of delivery.

Suitable for flexible surfaces as well as rigid; bags, bottles, cartons, and bags providing mechanical security.

Benefits

Provides an instant, additional level of security seal delivering a clear visual indication of tampering.

This provides “positive control” through the “final mile” to the customer.

Simple, secure, “track and trace” features, including individual barcodes and sequential numbers. Individual numbers placed on the cargo along with matching receipt tabs placed on control transit documents ensures proper “chain of custody” to help fight back against dark kitchens.

Flexible

Can be applied to different surfaces from cardboard, wood through to plastic

Instant Layer of Security
