

POSTAL, PARCEL & COURIER MAILROOM & LOGISTICS SECURITY

TAMPER EVIDENT • TAPES & LABELS

Applications

The tamper evident security tapes and labels are used within secure logistics in the postal and courier industry from the infrastructure of the mailroom to the couriers for direct mail companies, logistics, and postal services.

Permanent tamper evident tapes which leave a non-removable message on the surface of the parcels, courier bags, boxes and envelopes are used to assist with the safe distribution globally of post.

Tamper evident tapes are used to seal envelopes, files, parcels, boxes, containers and vehicles to help secure invoices, tax documents, samples, garments, confidential or high value post in transit.

Benefits

These tamper evident labels provide an instant additional level of security to your parcels, courier bags and boxes delivering a clear visual indication of tampering to reduce theft and increase parcel integrity.

The simple application of a tamper evident tape delivers a cost-effective solution to all mail security; internal, domestic and international.

Tamper evident tapes and security tapes improves brand awareness with corporate logos, colours and personalised void messages.
