

X SERIES

Non-Residue

Self-adhesive security labels

These non-residue labels leave an easy to see VOID/OPEN security message in the label itself, while leaving no adhesive residue on the sealed surface.

Delivering an instant, additional layer of security.

The X Series offers an advanced tamper evident solution with a high contrast matt finish giving an excellent VOID and a surface that can be written on in biro.

Protecting products and packaging from tampering, unauthorised opening and counterfeiting.

APPLICATIONS:

aircraft exterior doors and panels, catering trolleys, tote boxes, ballot boxes, mobile phones, computer ports, office doors, cupboards, fuel caps, cash boxes, warranty void seals, vehicle doors...
