

TAMPERTECH Teaches:

How To Submit Artwork

Tampertech manufacture tamper evident tapes and labels with the option of complete customisation.

As the manufacturers of tamper evident tapes and labels, we are able to offer a wide range of customisation, including custom artwork to individualise our products to match your brand with features such as logo and colour.

In order to be able to produce this artwork it needs to:

- Be an AI file, as an illustrator / eps / or vector file, and
- As high resolution as possible

If you have any other questions about our wide range of custom options and how to submit artwork then get in touch!
